# TSC

## Ice thermal storage

## Key benefits

- Reliability: constant water supply temperature (1 to 2°C)
- Lowest first cost
- Energy saving

### TSC characteristics

- External ice melt
- Direct refrigerant or glycol feed

### Capacity range

300 - 5000 kWh

## Other benefits are:

- Proven BAC technology, part of your building infrastructure
- Minimum maintenance
- Environmentally friendly

This file has been generated from the BAC website on: 29/03/2024
